The Island Chief 'Master of Love' has chosen three romantic locations on our island for you and your lover to renew your love and begin a joyful life together.

The Master of Love proclaims 'Two human loves make one divine'

The 'Renewal of Love' is a creation of shared symbols and meanings. This ceremony strikes a deep natural chord inherent only in true lovers. These symbols will always remind the couple of their commitment to one another.

The stunning Bride who has been tended to by her dedicated Wedding Host /Matron of Honour is waiting in anticipation to be collected by an entourage of Maldivian Men clad in traditional sarongs to sweep her away amidst floating white silk flags to her handsome Groom...

On arrival the couple is greeted by the Bodu Katheeb (Island Chief) and the traditional ceremony begins. Once the glistening rings are affectionately exchanged and the kiss of love has taken place, a bottle of the finest champagne is opened with toasts made to the happy couple as they tenderly cut their exquisite wedding cake for all to savour.
